STEP 2: Application for Admission

- Complete an application at www.goapplytexas.org.
- You will create an account. *Be sure to use a personal email address NOT the school email.
- You will complete the personal profile information.
- You will complete and submit a 2-year college application to North Central Texas College.
- Apply Texas will send an immediate email that your application has been forwarded to NCTC. If you do not get this email, go back to your application.
- This entire DC process will not move forward until your application has been submitted.
- Additional email(s) will follow from NCTC. These IMPORTANT emails contain valuable information: College ID, Password, Information on missing documents.
- Set up your NCTC student portal (ONELOGIN) utilizing the credentials you receive in your email.
- **PROVIDE a copy of the page that documents you have submitted your application to Mrs. Holloway in the brown envelope with your name.**

STEP 3: Test scores that document college readiness (HANDOUT)

- The Texas Success Initiative (TSI) is NCTC's preferred test for college readiness.
- The TSI is available at Aubrey High School.
- Testing should be completed well in advance of registration.
- Go to the AHS TESTING DEPARTMENT site to find out how to receive a copy of your TSI scores already taken. If you have questions about how to get your scores, please contact the AHS Campus Testing Coordinator, Donna Lincoln at dlincoln@aubreyisd.net.
- **PROVIDE a copy of your test scores that document college readiness to Mrs. Holloway in the brown envelope with your name.**

STEP 4: High School Transcript (HANDOUT)

- Complete an Aubrey High School Transcript Request form.
- **Provide this completed form to Mrs. Holloway in the brown envelope with your name. We will send an official high school transcript to NCTC.**

STEP 5: NCTC Registration Form (HANDOUT)

- Complete the NCTC Registration Form
- **Return this completed NCTC Registration Form to Mrs. Holloway in the brown envelope with your name.**
- Mrs. Holloway will review this registration form and sign for approved courses.
- This completed form will be scanned and emailed back to you to complete the online registration process. You may only register for courses that have been approved.
- Registering for unapproved courses may result in forfeiture of ALL courses.

STEP 6: Payment

- Unlike high school, college is not free. Students MUST check their student portal from MyNCTC to determine tuition charges.
- Before payment, you may need to have the NCTC Business Office rerun your bill for accuracy. Bills can be paid by phone (940) 668-4200, in person at most campus business offices, or online from MyNCTC student services portal. You will need your ID and password to access.
- Apply for NCTC Scholarships before April 15th for the Fall Semester/October 15th for the Spring Semester
- NCTC also provides waivers for students participating in the Federal Lunch Program. Check with your counselor to make sure your name is submitted. Only 6 hours each semester (2 classes) is covered under the tuition waiver.
- All students who drop or withdraw from a course during any semester will be responsible for paying a portion of the tuition.
- At this time, the tuition cost is \$132 per credit hour. Example: ENGL1301 (English for the fall semester)= 3 hours x \$132 = \$396/ENGL1302 (English for the spring semester) = 3 hours x \$132= \$396. Tuition rates have not been set at this time by the Board at NCTC, so tuition rates are subject to change.
- Compared to an average of \$1003 for one class tuition and fees at a Public University in Texas, this is a bargain!

STEP 7: Purchase Textbooks

- Unlike high school, students are required to buy their own textbooks.
- You can rent or purchase used copies but these will sell out early.
- NCTC has bookstores on the Flower Mound, Gainesville and Corinth campuses. You can also purchase books online.
- Free/reduced lunch grant recipients ***are responsible for purchasing their own textbooks.***
- *Economics and Government digital textbook fees are added to students' accounts and must be paid through MyNCTC or the business office.*

IMPORTANT Deadlines for ALL NCTC Dual Credit Students for 2022-2023
