Parent education and training on special programs and how to be involved at school.

# Comprehensive Needs Assessment

## **School Culture and Climate Weaknesses (Continued)**

Increase parent participation by 10% on survey.

## **School Culture and Climate Needs**

Variety of parent training - attendance, STAAR, drug awareness, parent portal, reading and writing skills for students.

Continue to build school culture by continuous implementation of character education.

Continue teacher and staff recognition through a variety of ways through both administration and peers.

Increased parent participation in the ESL population.

## **Staff Quality, Recruitment and Retention**

### **Staff Quality, Recruitment and Retention Strengths**

Work environment is positive and supportive

# Comprehensive Needs Assessment

## **Staff Quality, Recruitment and Retention Strengths (Continued)**

Colleagues are committed to doing quality work

Mentoring support for new teachers.

Teacher Facilitator support.

Goals are set by teachers and professional development is aligned to help support teachers as they reach their goals.

New Teacher Academy

There is little turnover at Brockett Elementary.

Hiring committee used to make staff additions.

## **Staff Quality, Recruitment and Retention Weaknesses**

Staff diversity is not reflective of student population.

Limited male teachers vs. female teachers.

## **Staff Quality, Recruitment and Retention Needs**

Incentives/recognition for teacher recognition for innovative teaching practices.

# Comprehensive Needs Assessment

## Curriculum, Instruction and Assessment

### Curriculum, Instruction and Assessment Strengths

Teacher Facilitator on campus to work with teachers during their PLC meetings, model teaching, and provide coaching for teachers.

Data is used to monitor students and drive instruction.

TAG is used to develop assessments that are aligned with instruction and the YAG.

Students are monitored and provided instructional reinforcement for low SE performance.

Lesson Plans are aligned to the YAG and include the lesson cycle for quality instruction.

Monitoring sheets are used to monitor individual students and the success on each SE taught in reading, writing, math, science.

### Curriculum, Instruction and Assessment Weaknesses

Spiraling of instruction to meet the weaknesses of students in a timely manner.

Providing support to students to ensure student progress is made from third to fourth grades for ALL students.

Identifying students who are Gifted and Talented in younger grades.

# Comprehensive Needs Assessment

## Curriculum, Instruction and Assessment Needs

Qualified teachers to assist with the tutoring support for at-risk students.

Time to be provided for the development of planning ahead for instruction.

The understanding of data reports that will assist in driving instruction.

Consistently monitoring student progress and aligning instruction that will increase and sustain student performance to higher levels.

Provide teachers with PLC framework and meetings to be held consistently to discuss the needs of their students, instruction, and data for student growth.

Incorporate critical thinking skills to provide students with problem solving skills and develop critical thinking skills.

## Family and Community Involvement

### Family and Community Involvement Strengths

Stakeholders feel welcome in our schools.

The campus uses multiple forms of communication (E-Blast, Blackboard, E-mail, Twitter, Facebook, Newsletters, Remind, See Saw, Smore).

Effective use of district-site based and campus-site based to involve more parent and community members.

# Comprehensive Needs Assessment

## Family and Community Involvement Strengths (Continued)

A positive PTO organization that contributes to involving our parents in school events.

Brockett holds two open houses a year to promote parent involvement.

Watch DOGS program that includes our dads and grandparents on campus is an established program.

Brockett is supported by community partnerships (Sonic, CoServe, DACTU, etc. )

## Family and Community Involvement Weaknesses

Create student incentives for parent participation in campus/district surveys.

Increase effort to communicate with community members possibly by including more in the local newspapers, because a lot of people do read online.

Diversity in the PTO organization.

Students connected and making an impact in the community.

## Family and Community Involvement Needs

Create incentives for parent participation in surveys.

# Comprehensive Needs Assessment

## Family and Community Involvement Needs (Continued)

Increase efforts for participation in surveys.

Increase efforts to communicate with community members by various methods.

Increase business connections.

## School Context and Organization

### School Context and Organization Strengths

District and campus site based committees involve admin, teachers, parents, community and business partners.

Campus Leadership Team involves grade level teachers, special's teacher, teacher facilitator, and represent the whole school. The CLT is used to make decision and focused on building leadership capacity in all members.

CHAP Team Time is provided for students daily for tutoring and reinforcement of student needs.

### School Context and Organization Weaknesses

# Comprehensive Needs Assessment

Due to the pandemic, we are unable to have campus visitors at this time. We are in need of alternative parental involvement activities.

## School Context and Organization Needs

Create character committee that involves staff, parents, and students to evaluate, plan, and advise changes needed to continue our National School School of Character award.

## Technology

### Technology Strengths

New Chromebooks and iPads

Technology department support

# Comprehensive Needs Assessment

## Technology Strengths (Continued)

Teachers embracing new devices

New Go Guardian system

## Technology Weaknesses

Computer use across curriculum

The professional development for technology that is in-depth for teachers that focuses on instructional technology for students to produce, create, and/or interact globally.

## Technology Needs

The use of different computer / software programs to use across the curriculum.

Effective use of technology in the classroom that is student-product oriented.

The use of apps effectively with instruction.
