Beliefs, Mission, & Motto

Overview: Narrative Description of the Process of Defining the School's Beliefs and Mission

Aubrey High School began the task of designing its beliefs and mission in the spring of 1999. After developing our beliefs the Site Based Decision-Making Team (SBDM) members distributed several suggested mission statements to teachers, administrators, support staff, and representatives of the community for review and selection. After analyzing the results, beliefs, a mission statement and the motto that best represented our view was developed. On the following pages we have included the statement of our beliefs, missions, and motto.
