

Aubrey Education Foundation

Dear Community Partner,

The Aubrey Education Foundation (AEF) was formed by a group of caring and committed citizens with a vision to enhance educational opportunities and student success in all grade levels at Aubrey Independent School District. AEF has worked tirelessly to enrich the quality of public education by being a vehicle for securing private funding which benefits AISD teachers and students.

Like most non-profits, this past year and a half we have been very limited on our fundraising due to COVID. We have had to think outside the box and host online fundraisers that are not as successful as in person events. Last year, despite our obstacles with the support and generosity of businesses like yours, the Foundation was able to give \$12,140.00 in grant funds and 29 graduating seniors received scholarship funds totaling \$20,500. None of this would have been possible without the tremendous community support the AEF has received through endowments, teacher giving, donations and fundraising efforts such as the annual gala.

For the 21st year, we will be hosting our annual fundraising event – “*An Evening for Education*”. It will be held on Saturday, October 23, 2021, from 6-9 pm at the Patterson-Appleton Arts Center in Denton.

There are several ways to support this event including sponsorship levels, monetary donations, auction item donations and attendance at the event. AEF is a public, non-profit corporation so your donations are tax deductible as allowable by law. Our fundraising goal this year is \$75,000.00. With your support, we can exceed this goal!

AEF knows you receive many requests so we “THANK YOU” in advance for recognizing how important education is to the continued growth and prosperous future of our children, families, communities, and businesses.
