

ESSER II and ESSER III

ESSER Overview

ESSER II and III

- The ESSER II and III grant programs are authorized in the [Coronavirus Response and Relief Supplemental Appropriations \(CRRSA\)](#) and [American Rescue Plan Act \(ARP\)](#), **signed into law in March 2021.**
- The **purpose of ESSER** in general is to award subgrants to local educational agencies (LEAs) to **address the impact that COVID-19 has had**, and continues to have, on elementary and secondary schools.

ESSER Overview

- To be used to **address learning loss, needs of low-income, children with disabilities, EL's, racial and ethnic minorities, students experiencing homelessness, foster care youth, summer learning, enrichment and supplemental programs.**
- Could also be used for training for teachers on **disease reduction and supplies to clean buildings**, but as a district we are already funding this, so we would like to use it all for student and staff support.

Federal Programs Notification

ESSER II and III are **one time funds** and there is no plan for the funding to be renewed. Without careful planning loss of funds can result in a deficit funding.
